

# Pails

## Steel pails, plastic pails & specialty cans

### Steel

- Styles include: open-top nested, open-top straight sided, tight head (standard or inverted), & lever-locking and hermetic.
- Pail liners are available and customizable, including rust inhibiting, pigmented epoxy phenolic, or gold phenolic liners.
- UN rated pails available.
- Eliminate your paper labels and use our custom printing and branding services.
- Warehousing & stocking plans available with a 1-2 day ship time to most Eastern U.S. locations.

|               |            |
|---------------|------------|
| <b>Sizes:</b> | 3.5 Gallon |
| 1/2 Gallon    | 4 Gallon   |
| 1 Gallon      | 5 Gallon   |
| 2 Gallon      | 5.5 Gallon |
| 2.5 Gallon    | 6 Gallon   |
| 3 Gallon      | 6.5 Gallon |

### Plastic

- Package and ship your products safely with our durable plastic pails.
- The prime, high density polyethylene (HDPE) resin coating and galvanized wire handles with injection molding create a no-mark plastic grip.
- Custom color and printing available.
- Pails are shipped flame treated.

|               |                   |
|---------------|-------------------|
| <b>Sizes:</b> | 3.9 Gallon        |
| 1/2 Gallon    | Short 5 Gallon    |
| 1 Gallon      | Standard 5 Gallon |
| 2 Gallon      | 5 Gallon UN       |
| 3 Gallon      | 10 Liter UN       |
| 3.5 Gallon    | 6 Gallon UN       |

### Specialty Cans

- We stock and supply unprinted paint style cans and unprinted slip cover tins.
- Warehousing & stocking plans available with a 1-2 day ship time to most Eastern U.S. locations.

|                                   |
|-----------------------------------|
| <b>Sizes:</b>                     |
| 1 pint - 5 quart holding capacity |
